RE: Closeout Report for Building 112

Dear Mr. Legare:

The Colorado Department of Public Health and Environment, Hazardous Materials and Waste Management Division has reviewed the additional information provided for the Closeout Report for Building 112, a Type 1 Facility. As indicated in your letter, dated February 26, 2004, this additional information is provided to address our concerns as stated in our letter dated October 31, 2003. We apologize for the lateness of our response, which was caused by our need to attend to more pressing matters in moving individual buildings and the site as a whole to closure. Thank you for providing this additional information augmenting the Closeout Report for B112 and clarifying the remaining infrastructure associated with B112.

If you have any questions regarding this correspondence please contact me at (303) 692-3367, or David Kruchek at (303) 692-3328.

Sincerely,

Steven H. Gunderson
RFCA Project Coordinator
